Life is made up of special moments

What some of our TCOTC members

had to say about the event...

Christine Canard	"Has been having an excellent time at the CPE Nationals! Henry and I have been running well together and have had some great runs. So much FUN!!!"
------------------	--

Katie Brittan	"Practicing for Jackpot (distance class) for months upon months; obsessing for months upon months what obstacles will be in the gamble (distance portion); worrying if Terra was ok to run; actually going out, Terra running Jackpot, and not having a bit of doubt about both of our skills to get the job done. Terra was 1 of 59 dogs out of 488 to get the gamble!! That was definitely my high point of the weekend!"
---------------	---

Laura Breckheimer	"WHAT a weekend at CPE Nationals! It was a ton of fun and I heard TONS of comments about how great the trial was (from our MN and out of state friends!)."
-------------------	--

Lisa Hanson	"We had a very good time - Ellie enjoyed the cool weather AND her strawberries after each run."
-------------	---

Robin Kilbury	Robin's highlight of the weekend: "Seeing Chui make the gamble in the Jackpot class."
---------------	---

Shari Vespested	"Jackpot. I wasn't going for points, but for time (per CPE scoring.) I frantically realized one dog ahead of us that I didn't plan nearly enough obstacles, so while he was running, I was mentally scrambling to add. On our run, Zippy came over the last jump in my (new) plan right at the buzzer, did the gamble and Q'd. Found out later we had 3-way-tie for high points! Getting HIT Sheltie was a VERY big grin."
-----------------	--

Ted Jewell	"My biggest part I took from the trial was that Nigel still wants to do agility and is still having fun doing it!"
------------	--

Vicki Jones	"Laughable moment - getting "lost" while running standard - teary/ear to ear grin moment - seeing that first Q ribbon and realizing my little princess sheltie and I not only had a blast running together but actually managed to pull off a clean run. Thoughts ran thru my head of the long journey to get to that point and I could not have been prouder of Jessie. The rest of the weekend was just icing!"
-------------	---

Wayne Carlson	After Wayne learned that he won multiple awards from the weekend, he was very emotional in front of Pearlina and she looked at him like "can I lick you and make you better". Wayne says, "Its a shame we can't really let them know how much we appreciate them."
