

PARKING AT TCOTC

For your safety and out of courtesy to our neighbors, please park in designated areas only.

MEMBERS AND GUESTS: Parking is located in the upper lot east of the TCOTC entrance (near wood stairs)

Exceptions:

- Cars with handicapped permits may park in the designated spots in the lower lot.
- Members taking the Changing Attitudes class may park in the upper west staff lot (near cement stairs). This class is for reactive dogs that must enter the building through a separate entrance.

STAFF ON DUTY: The lower lot is reserved for staff on duty and registered handicapped. The upper westside lot is reserved for staff on duty and may only be used on off-business hours. Staff not on duty should park in the upper eastside lot.

THANK YOU!
