DRAWING: Entries for this test will be accepted up until the official closing date, even though the advertised limit has been reached. The Test Worker Draw option, as allowed by the AKC Tracking Regulations (Chapter 1, Section 17d), will be used. Entrants seeking a Test Worker track must inform the Test Secretary prior to the close of entries. A drawing will be held to determine which entrants will participate in the test. The drawing shall be completely random among all entries received, except that preference will be given to those dogs that have not passed a TD test. After the entry limit (8) is reached, all remaining entries shall be drawn and assigned a position on the alternate list.

The drawing will be held on Friday, October 16, 2026 at 1:00 pm at the home of the test secretary (9480 Magnolia Way N, Maple Grove, MN 55369) and is open to the public.

The Test Secretary will notify all entrants of the results of the draw. Entry identification, judging program and directions to the site will be sent to each entrant (including alternates). In the event any of the accepted entrants cancel or are absent on the day of the test, the Test Secretary will contact the alternates in the order of the drawing. Upon such notification, the alternates shall have the option of accepting or refusing entry. If for any reason a dog making the draw is not present or cannot run, the fees will be refunded provided that an alternate competes in their place. All communication from the Test Secretary to entrants will be by e-mail unless requested otherwise by the entrant.

CERTIFICATION: A certification form must accompany each entry. The form must be signed by a person who is approved to judge tracking tests (or equivalent, per Chapter 3, Section 2 of the AKC Tracking Regulations), stating that the dog is ready for such a test. This statement must be dated within 24 months of the test date.
